

Let's move our souls with two wheels.

THE MOTORCYCLE ADVENTURE - Adriatic highway (Croatia), Bosnia and Montenegro

19.6.2016 – 29.6.2016

Price: 880 €

The adventure of Croatia, Bosnia and Herzegovina and Montenegro by a motorcycle. Wandering on two wheels with wind in your hair, on wonderful roads, adrenalin curves and fantastic views. The unique experience of the Adriatic highway coastal road and unforgettable views on the roads of Bosnia and Herzegovina, unspoiled nature of Durmitor and river Tara in Montenegro. You will travel across four Balkan countries and experience a variety of landscapes, roads and diverse local cultures. A well skilled motorcyclist with many years of experience will guide you, a traveller that knows roads and hidden corners of these states very well. The travel is appropriate and suitable for all those who are eager to try a different way of travel and whom improvisation and adaptation to the circumstances on the road don't present a problem. The average ride per day will be between 100 to 300 km.

PROGRAM:

0. Day: Between 13:00 and 16:00 you will be welcomed by me on the banks of the mountain lake **Stausee Soboth – Austria**, where one of the most beautiful motorcycle roads lead to. Here you will be served with lunch. After everyone arrives we will meet each other at the evening gathering.

1st and 2nd Day: Next day we will go to town **Velenje – Slovenia**, where we will drive to the **border crossing with Croatia** from after the breakfast, and continue to **Lake Plitvice**. Continue through the picturesque landscape of **Lika**, across the **Velebit**, we will descend down to the seaside town of **Karlobag**, where we will join the **Adriatic Highway**. A drive along Croatia's coastline confirms the country's ability to surprise and amaze in equal measure. We will stop in **Zadar**, listen to the **Sea Organs**, take a quick swim along the way in some wild bays. We will spend the night nearby the town of **Omiš**. **3rd to 6th Day:** We will leave the Adriatic Highway, by crossing the **border of Bosnia and Hercegovina (BiH)** in town **Neum** and continue along the **valley of river Neretva** all the way to the spring of **river Buna**. Some stops will be made at local fruit sellers by the road. We will take a longer break in a city of **Mostar**, where we will treat ourselves with local specialities under the shadow of the old medieval bridge from the 16th century. We'll ride straight forward to **Lake Jablanica**. Then we will stop in the capital city of BiH, **Sarajevo**, where we will eat their famous **Chevapchichi** (for vegetarians **Zeljanica**) at **Bašćaršija** and drink the authentic Bosnian coffee with sweet **Baklava**. The **Tunnel of Salvation** was a salvation link between surrounded Sarajevans in time of the Balkan war. After Sarajevo we will go towards **Hum** where we'll spend a day off. For those who'll have a desire to try **rafting**, there will be a chance to go **on a river Tara** for some adrenaline rush.

7th Day: Attractive **Montenegro** will charm us with beautiful and unspoiled nature. We will have lunch in the **National Park Durmitor (Unesco)**, breath taking **bridge Tara by Đurđević** on the river Tara. It was one of the biggest reinforced concrete bridges in Europe during the construction year of 1940. There will be a possibility to experience the bridge and the canyon of the river Tara with the unforgettable **Zip Line adventure**. **8th to 9th Day:** A fantastic adrenaline-filled road experiences will lead us from **Žabljak** towards **Nikšić**. In **Dubrovnik** we will take a walk through **old Stradun (Unesco-old city centre)**. Here we'll again join the **Adriatic Highway** which, with it's beautiful curves, will lead us all the way up to the city of **Makarska**. We'll continue with the most beautiful panoramic section of Adriatica between **Zadar and Senj**. We will have last swim in the crystal clear **Adriatic Sea** and evening enjoyment on the beach.

10th Day: In **Crikvenica** or **Grobnik (known circuit)** we'll leave Adriatic Highway and we will go onto the mainland roads towards Slovenia. We'll take one of the most beautiful roads in Slovenia all the way up to **Kočevje** and continue towards the nice campsite in **Upper Savinja Valley**, where you will summarize your thoughts regarding the trip at dinner time, say a farewell and wish everyone a safe road back home.

10 days of carefree hanging out with your motorcycle, asphalt and beautiful nature.

Minimal number of bikers 6, max. 10 bikers.
